

Administrative Memo

Date: September 18, 2013
To: School Administrators, Federal Sub grantees/Recipients and Finance Staff
From: Dr. Ronald Lankford, Deputy Commissioner
Subject: FAS-13-008 – Continuing Resolution

The Department continues to monitor discussions in Washington, DC focused on federal education funding and the continuing resolution set to expire September 30, 2013. The current continuing resolution was created March 28, 2013 and kept federal funding constant until September 30, but didn't specify what is to happen after this date. Without implementing another continuing resolution or passage of the appropriation bills by the expiration date, the Department will not have the ability to access federal funds that would be used to make payments beginning October 1.

The Department will send out more information as it becomes available and also urges local districts to monitor this situation as well.
