Date: February 7, 2014
To: School Administrators
From: Ron Lankford, Deputy Commissioner
Subject: FAS-14-002 – Inclement Weather re: School Calendar Requirements

Many school districts have missed days as a result of the recent inclement weather throughout the state. Districts must comply with Section 163.021.1, RSMo, which requires compliance with the minimum term, including a minimum number of days and hours, to be eligible for state aid. Additionally, Section 171.033.4, RSMo, provides forgiveness for inclement weather days after a specified number of inclement weather days have been reached by a school district or charter school.

Information pertaining to inclement weather is available on the School Finance website at: <http://dese.mo.gov/divadm/finance/topicsandprocedures/documents/sf-InclementWeather.pdf>

Questions regarding inclement weather and school calendar requirements should be directed to the School Finance Section, 573-751-0357.
