

Administrative Memo

Date: May 22, 2014
To: Missouri School Administrators
From: Ron Lankford
Subject: FAS-14-007 Summer School Attendance-Multi-District/LEA Enrollment

The *Summer School Information Handbook 2013-14* (page 1) states “**students may enroll and attend summer school classes in only one LEA.**” Section 167.227, RSMo, states “no pupil shall attend summer school classes in more than one district during any one summer.”

In order to assure compliance with the referenced statute, hours of attendance for any student that attends more than one summer school in the same calendar year that may be claimed for reimbursement, will be allowed only in the LEA that was attended first by the student in that summer. LEAs that offer summer school should implement a process to determine whether or not students that are attending summer school have been previously enrolled in another approved summer school in that calendar year.
