Title: [A Consumer's Guide to E-Payments](#)
Type of Material: Booklet/Pamphlet
Price: Free
Description: Most consumers use credit or debit cards to pay for online purchases, but other payment methods, like e-wallets, are becoming more common. This FTC brochure provides tips on how to make your online transactions as safe and secure as possible. Although you cannot control fraud and deception on the Internet, you can take steps to recognize it, avoid it and report it. The brochure tells how.
Source: Colleen P. Tressler

Title: [Credit Scoring](#)
Type of Material: Booklet/Pamphlet
Price: Free
Description: How do creditors decide whether you will repay a loan and make payments on time? Credit scoring is a system creditors use to help determine whether you would be a good risk for credit cards, auto loans and home mortgage loans. Information about you and your credit experiences is collected from your credit application and your credit report. This FTC brochure explains what you can do to improve your credit score, what happens if you are denied credit or don't get the credit terms you want, and where you can get more information or file a complaint.
