

No matter which ACCESS assessment a student is taking, the district will need to enter the amount of students testing on the WIDA-AMS.us site. Once signed in, go to Materials>Materials Ordering. You will see a screen that looks like the one below. Districts will need to fill in how many students are taking each assessment in order to get the correct amount of materials shipped to them. The deadline to do so is **THURSDAY NOV 8, 2018**.
