

Dear District Test Coordinator,

Starting with the fall End-of-Course (EOC) window, Questar will debut a new testing platform and administration site, Nextera. The transition from iTester begins tomorrow, August 25, with the end of the Summer EOC window. Historical data from previous year's assessments will still be available in iTester until December 31.

On Wednesday, a memo was sent from Questar to District Information Technology Coordinators (DITCs) informing them of this transition and inviting them to attend a webinar regarding training on downloading and installing Nextera. The webinar is on Monday, August 28 at 1:00 PM CDT. The webinar will be recorded and posted on the Nextera Administration site if they cannot attend the live event. Use the link below to register and attend:

<https://attendee.gotowebinar.com/register/354235543531355907>

District Testing Coordinator (DTC) training webinars are currently scheduled for September 6th and 7th. More information about those trainings will be coming soon from Questar. Additionally, Questar will be hosting in-person sessions on November 8th in the morning and afternoon; location is yet to be determined.

For additional information, please call Questar's Customer Service at 800-544-9868 or email mocustomersupport@questarai.com

Thanks for all you do.
