

MEMORANDUM

TO: District Test Coordinators
FROM: Data Recognition Corporation (DRC) MAP Service Line
DATE: January 2017
SUBJECT: Spring 2017 MAP Grade-Level Summative Assessments Information

Dear District Test Coordinator,

This memo provides you with important information regarding the Spring 2017 MAP Grade-Level Summative Assessments. The Summative assessments will be accessed by students through the INSIGHT online testing platform. User information, student information, student groups, accommodations and test tickets will be managed in eDIRECT, which will also contain the supporting documents and user guides for the administration.

Please note that February 10 is the deadline for schools to submit their Precode data to DESE for the Spring 2017 MAP Grade-Level Summative Assessments.

For more information on DESE Assessment Precodes, please visit: <https://dese.mo.gov/data-system-management/core-datamosis>. To view timelines, select Precode Timelines under the Quick Links section.

The following release dates have been established in preparation for the Summative assessments:

What is Available?	Necessary Action
JANUARY 10	
eDIRECT 2016-2017 Summative Administration functionality	<p>DRC assigns DTCs to the Spring 2017 Summative administration. DTCs must then copy District Information Technology Coordinators (DITCs), School Test Coordinators (STCs), and Test Examiners (TEs) from the 2016-2017 Classroom Diagnostic Tools (CDT) administration to the Spring 2017 Summative administration and assign permissions. If your district is not testing the 2016-2017 CDT administration, then you should copy from the Spring 2016 Summative administration.</p> <p>Any users who do not need access to the Spring 2017 Summative administration should not be copied. Any users not already in eDIRECT must be added.</p>
eDIRECT User Guide – User Management	<p>Access in eDIRECT under All Applications > General Information > Documents and select eDIRECT User Guides from the Document Type dropdown.</p> <p>DTCs use this guide to assist in setting up users, assigning permissions, and the Enrollments and Additional Materials processes in eDIRECT.</p>

What is Available?	Necessary Action
