DRC INSIGHT Online Learning System Training for DTCs**

On behalf of the Missouri Department of Elementary and Secondary Education (DESE), Data Recognition Corporation (DRC) will be hosting in-person INSIGHT Online Learning System training sessions for District Test Coordinators on January 16-17, 2020. The trainings will primarily focus on eDIRECT, the interface to the administrative functions of the DRC INSIGHT Online Learning System. This training will be beneficial to new DTCs. A District Information Technology Coordinator (DITC) training was offered back in October 2019. The training session can be viewed by logging into eDIRECT and accessing it via the Documents page.

There will be a morning and afternoon training session each day with the same information being shared at each session. You may choose to attend one of the training sessions taking place January 16th in Springfield or January 17th in Columbia. You only need to register for one session. **Please register by December 31st.**

Please Note: You must register for this training in order to confirm your attendance. To register, click the blue "**REGISTER**" button located at the bottom of this page. Once you complete your registration, you will receive a confirmation email. If you do not receive a confirmation email, your registration was incomplete. If there are others from your district that you feel should attend this training please feel free to forward them this invitation.
