### DTC Corner

- Please pull the DLM Test Monitoring report to **MAKE SURE** your students have completed their required testing.

*Directions:* Login to Educator Portal. Click on the blue box called Reports. Select Data Extracts. Find the extract called DLM Test Administration Monitoring. Click on the New File button. Select DLM assessment program. Select the district (leave school as select). Leave the default dates. Click Ok. The blue letters CSV will be replaced with “in queue.” When they return to CSV, click on them to open your newly pulled extract spreadsheet.
