DLM Testing Status Report Filepath: District Test Coordinators may keep abreast of testing progress in their districts by pulling monitoring reports. Login to Educator Portal. Click on the blue box called Reports. Click on Downloads. Find the fifth extract called DLM Test Administration Monitoring. Click on the New File button. Select DLM assessment program. Select the district (leave school as select). Leave the default dates. Click Ok. The blue letters CSV will be replaced with “in queue.” When the words say CSV again, click on them to open the newly pulled extract spreadsheet. Scroll to the right to see Column T (Completed Testlets). The numbers should be 5 for math, 5 for language and 9 for science--and should match the numbers in Column U.

Summer Communications: With the closing of the 2016-2017 school year quickly approaching, District Testing Coordinators are reminded that DESE needs a point of contact over the summer. If you will not be returning to your district next fall, please send the new district contact information (name, phone number, email address) to Caryn.Giarratano@dese.mo.gov.
