Volunteers Sought to Evaluate Testlets... Accessible Teaching, Learning, and Assessment Systems (ATLAS) is focused on the future of alternate assessments and instructional support materials for teachers via testlet development, testlet review and score validation of writing testlets. https://kansasedu.qualtrics.com/jfe/form/SV_6DcxFBgLc5Btxc1

Teachers May See Past ISRs... Log on to Educator Portal

(<https://educator.kiteaai.org/AART/login.htm>), click on Reports, then choose Student Report Archive. The student must be rostered to that teacher. The teacher must have the MOSIS number or the student's last name (possibly both).

Best Practices is to Give Testlets all Year... Missouri will move to providing two instructionally embedded testing windows in 2019-2020. It is a good practice to instruct and assess students all year during both windows.

Find Student Logon Information... Logon Educator Portal (dynamiclearningmaps.org). Click on Manage Tests. Select Instructional Tools. Click Search. Scroll to the right. Click on the student's history. Remember to confirm the Essential Elements. Testlets will not appear until the PNP and FCS are completed and then the EEs are confirmed.
