

DESE Model Curriculum: Business Law (CIP Code: 52.0101)

GRADE LEVEL/UNIT TITLE: 11-12/Family Law

COURSE INTRODUCTION		
<p>Instruction in this area addresses laws affecting both businesses and families. As laws emanate from different governmental and judicial entities, students must have a basic understanding of the law and the foundation of the legal system. The impact of international business and technology has created an additional demand for students to include this course in their academic preparation.</p> <p>This course is designed to acquaint students with the basic legal principles relevant to their roles as citizens, consumers, and employees through a mixture of personal, business, and consumer law. The content includes the basic characteristics of the American system of free enterprise, rights of private property, basic elements of contracts, employer-employee relations, property owners and tenants, individual rights, wills and estates, family and juvenile justice law, and community property.</p>
