Perkins V Overview

- Strengthening Career and Technical Education (CTE) for the 21st Century Act
- Referred to as “Perkins V”
- Goal to increase the quality of technical education in the US
- Provides \$1.2 billion in federal support to CTE/\$23 million for Missouri
- Effective July 1, 2019

Major Changes in Perkins V

- Increases stakeholder involvement
- Requires a Comprehensive Local Needs Assessment (CLNA) every 2 years
- Aligns to CLNA
- Enhances efforts to serve special populations
- Encourages innovation

Comprehensive Local Needs Assessment

The CLNA must include:

- Recruitment, retention, and training of CTE educators
- Evaluation of program quality (utilizing **Common Criteria Quality Indicator** assessment tool)
- Alignment to state, regional, or local in-demand industry sectors or occupations
- Evaluation of progress of CTE programs and programs of study/degree plans
- Progress toward implementation of access and equity for all students
- Access and inclusion for students of special populations

Special Populations

- Individuals with disabilities
- Individuals from economically disadvantaged families
- Individuals preparing for nontraditional fields
- Single parents, including single pregnant women
- Out of workforce individuals
- English learners
- Youth in foster care
- Homeless individuals per the McKinney-Vento Homeless Assistance Act*
- Youth with a parent who is a member of the armed forces and on active duty*

* Access and inclusion added this year
