Access, Opportunity, Equity – Provide all students access to a broad range of high-quality educational opportunities from early learning into post-high school engagement.

Teachers and Leaders – Prepare, develop and support educators to ensure an effective teacher in every classroom and an effective leader in every school.

Efficiency and Effectiveness – Create an internal environment of continuous improvement, effective programming and efficient business operations.

SUMMARY

The Continuous Improvement System is a collaborative effort of all offices in the Learning Services Division in partnership with regional education centers. The CIS supports educators in implementing effective, evidence-based practices in Missouri's public schools in the areas of leadership; collaborative culture and climate; effective teaching and learning; data-based decision making; and alignment of standards, curriculum and assessment with the goal of improved student learning for every student in every school.

PRESENTER

Stacey Preis, Deputy Commissioner, Division of Learning Services; Tim Ricker, Area Supervisor of Instruction, Office of Quality Schools; and Rita Fisher, Director, Southeast Regional Professional Development Center will facilitate the presentation and discussion of this agenda item.
