- The student will identify three goals.
- The student will identify one road block that could get in the way of accomplishing each goal.
- The student will identify the first step toward each goal.

Lesson Formative Assessment (acceptable evidence):

- Assessment should relate to the performance outcome for goals, objectives and GLE.
- Assessment can be question answer, performance activity, etc.

Students will select long- and short-term goals in order to complete the “GOALS” activity sheet.

Lesson Preparation

Essential Questions: How can goals help me?

Engagement (Hook): Ask students to think of a game they would like to win. If a student chooses basketball, call this student to the front of the class and give this student three chances to make a goal. Call one or two more basketball fans to do the same. Introduce the terms educational goals and opportunities.

Procedures

Instructor Procedures/Instructional Strategies:

1. Counselor introduces/reviews the word goal.
2. Give examples of educational or academic goals.

(Short term):

- Finish all assignments on time.
- Do my homework.
- Prepare for a test.
- Have all my supplies.

(Long term):

- Make the honor roll the next nine weeks.

Student Involvement/Instructional Activities:

1. Students give examples of goals.
2. Students listen.
- Be promoted to the next grade.
- Go to college or technical school.
- Become a ________________
  (Favorite career).

3. Pass out the *Goals* worksheet. Give directions and have students complete the activity. (Collect the completed activity sheets. Tell students that the activity sheets will be returned the next week by their teacher who will do an extension activity.)

4. Explain the word *opportunity*. Emphasize that, unless they are retained, this is their only opportunity to do well in 5th grade, and each day in school will be their only opportunity to do well in school that day. Suggest that doing their best in school each day is the first step towards achieving academic goals.

### Teacher Follow-Up Activities

Teacher will review student activity sheets and have students orally share their written examples.

### Counselor reflection notes (completed after the lesson)
