Lesson Measurable Learning Objectives:

Students will identify all six career paths as a group and identify why they are important.

Lesson Formative Assessment (acceptable evidence):

Assessment should relate to the performance outcome for goals, objectives and GLEs. Assessment can be question answer, performance activity, etc.
 Performance Task: Students will name the jobs of their parents or friends and then match the job with the appropriate career path.

Lesson Preparation

Essential Questions:
 Why are there so many different kinds of jobs?
Engagement (Hook):
 Puppets will perform a dialogue with students regarding various jobs as puppets wear different job hats or hold different job tools, or hold pictures of different jobs. (Hats, tools, or pictures should represent each of the six career paths.)

Procedures

<p>Instructor Procedures/Instructional Strategies:</p> <ol style="list-style-type: none"> Puppets will ask questions using props such as worker hats, tools, pictures and/or the individual mini poster of the career paths (Example: What job might require the use a hammer? Which career path do you think this job matches? Fixing and Building Technology). The puppets will give an example or two for each career path, thus reviewing the six career paths from the last lesson. Counselor will ask which, if any, career path is more important than the others. 	<p>Student Involvement/Instructional Activities:</p> <ol style="list-style-type: none"> Students will respond by sharing ideas about jobs and career paths. They will also share that all career paths are important.
---	---

<p>2. Puppets say, “Today we are going to play another version the ‘Career Path Game’. Think of someone you know who has a job.” Each student will have a chance to quickly name the job.</p> <p>3. The counselor will introduce the six separate <i>Career Path</i> posters posted around the room. As students name various jobs, the class will determine which career path the job matches. The counselor will write the job title on a 5x7 index card or sentence strip. (NOTE: Keep a fast pace so that 1st learners standing are engaged throughout).</p> <p>4. Once the career path is determined, the puppets will ask students, “What makes this an important job?”</p> <p>5. Puppets will dialogue with the students to review the 6 career paths and to restate the idea that <u>every</u> job is important.</p>	<p>2. Students will give names of jobs.</p> <p>3. The student takes the Career Card to the Career Path poster that is chosen. Procedure is followed for each job title/career card.</p> <p>4. Students will respond to indicate the unique importance of each job. The puppets will assist those who have difficulty with the answer.</p> <p>5. Students will listen and respond appropriately.</p>

Teacher Follow-Up Activities

The teacher can identify a career path for each special guest that visits the classroom.

NOTE: Counselor/teacher may also choose to paste the *Career Path* posters on separate colors of construction paper. Students can name the color even if they can’t remember the name of the career path. Counselor/teacher would have pictures of people doing different jobs, which the class then assigns to a career path color. If colors are used to represent the career paths, then the colors need to be consistent lesson to lesson, year to year.
