Procedures

Instructor Procedures/Instructional Strategies:	Student Involvement/Instructional Activities:
<p>1. Counselor explains the link of measured interests to his/her own career and how careers link to one another (e.g. linkages within each of the 6 Career Paths and 16 Career Clusters).The interest inventory you choose may be a “pencil and paper” version or an on-line version. Hand out selected interest inventory and explain directions OR direct students to online</p>	<p>1. Students observe counselor’s information and refers to own career clusters’ sheet</p>

<p>inventory.</p> <ol style="list-style-type: none"> 2. Counselor observes and helps students complete inventories. 3. Help students score and find careers that match their interests. 4. Have students share results with a partner. (Be sure to consider students’ privacy rights – review school board policy and allow students the choice of whether or not to share results with another person.) 5. As students review the results of the Interest Inventories, have them identify at least one career of interest. Partners will interview each other about their career of interest. Instruct students to introduce partners to the class as a worker in the career and career cluster of their partner with the class. 	<ol style="list-style-type: none"> 2. Students may be using a pencil/paper inventory or an online inventory. They will be reading directions. Students complete surveys. 3. Score and find career/interest matches. 4. Students work with a partner and share their results with each other (as appropriate). 5. Students will take turns sharing their partner’s choices.
