**Teacher Follow-Up Activities**

- Teacher assigns an essay related to diversity (could be a personal experience or reflections related to the *Diversity Puzzle*).
- The classroom has a Good Manners table for students to discuss and reflect issues pertaining to diversity.
- Teacher can go back and play the diversity puzzle again and again.

**Counselor reflection notes (completed after the lesson)**
THE UNTANGLE GAME (KNOTS)

Divide the class into groups of 8 or 10 (must be an even number). Form one group only if space is limited. Standing facing one another in a circle, instruct each student to grab the right hand of a student across from (not next to) him or her. Next, join left hands with a different person. Then, try to untangle without anyone letting go or falling down.

Debriefing:

- What was this game experience like for you?
- How can you relate this to something in your life?
- Are there situations or relationships with other people that is hard to untangle?
- What factors make it difficult to untangle these relationships?
- How can we do a better job of fixing tangled relationships?
