Sally's Super Day

Written by: Jennifer Boyer

Sally got up on time and was in a good mood because she had plenty of time to get ready for the day. Her mom was waiting in the kitchen for her with a healthy breakfast. She told her mom, "Good morning," and gave her a big hug. She rode the bus to school and greeted her teacher when she got to the classroom. Since her homework was finished, she got to go outside during recess and play with her best friend. Sally was excited to get to the lunchroom, because they were having tacos, and she liked tacos. She accidentally spilled milk on herself, and asked to go to the restroom to clean up. When lining up, she bumped into the boy in front of her. She said, "Excuse me," but the boy started yelling at her to watch where she was going. He got sent to the principal's office. She went back to the classroom and worked hard to get all her assignments finished so she didn't have any homework. When she got home, she was in a really good mood. Her brother was playing with her favorite game and she joined him. She didn't really like what they were having for dinner, but she ate it politely. After dinner, she helped clean up the kitchen before sitting down to read her library book. As Sally was getting ready to go to bed, the phone rang. It was her aunt, calling to say that her grandmother had died.

What an end to a super day!

What can Sally do now? What would you say to her?
