

CTE Advisory Council

January 27, 2020

Student Achievement & Business/Financial Operations Report

Student Achievement

Relevancy of CTE program offerings:

- The Enhancement Grant process allows for this due to the list of high-demand occupations we obtain from MERIC
- Local business & community needs must be considered

CTE Teacher Success & Retention of Teachers:

- Agenda item for January 27, 2020 meeting
- Invite Dr. Paul Katnik, DESE Assistant Commissioner of Educator Quality and/or DESE individuals from Teacher Certification

CTE Student Graduation and Placement Rates:

- DESE working with other state agencies as it relates to “data sharing”
- Ensuring DESE is able to disaggregate the necessary data needed for Perkins Comprehensive Local Needs Assessment

Industry Recognized Credentials

- Providing IRC's that are of value to business & industry (possible legislation proposed)
- Stackable credentials – MSIP 6
- ACT WorkKeys – mentioned in Governor Parsons State of the State address on January 15, 2020

MO CTE Certificate Earners

- Working with the Marketing Committee to promote this to our business & industry partners
- Locally – adding this certificate to the students transcript

Business & Financial Operations

- Proposing Andy Martin, DESE Director of Finance for CTE, present to the council in April 2020
- Marketing and Branding – funding for the future materials
- Proposed Return on Investment Items that supports fiscally responsibly decision making:
 - IRCs that are valuable to employers
 - CTE Certificate Earners (possibly the number of business partners who support the CTE Certificate)
 - Enrollment data
 - Concentrator data
 - Placement results
 - Number of IRC's earned by CTE concentrators
