

Cisco Networking Academy  
Academy Support Centers (ASCs) in Missouri

## **FREE Self-Paced Courses - Opportunity**

Offered through Missouri Academy Support Center located at Southeast Missouri State University.

The courses listed in this section are for the student's professional development. Academy Instructors as well as non-Academy Instructors could incorporate these Information Technology concepts and skills into to their existing courses or use as complete courses through their Academy.

For more information about becoming an Academy, contact Brenda Kahan ([bkahan@stlcc.edu](mailto:bkahan@stlcc.edu)).

### **Notes:**

1. These courses are independent of the DESE approved Career and Technical Courses offered by High Schools, and are not intended for High School Credit.
2. These courses are not for college credit at Southeast Missouri State University. For more information about the courses, please contact Robbie Davis ([rdavis@semo.edu](mailto:rdavis@semo.edu)).
