Personal Finance and Family and Individual Health meet graduation requirements.

Program of studies having TSA’s or IRC’s are noted by an asterisk (*).

*TSA- Technical Skills Assessment is to be taken after a student becomes a concentrator and completes a program. By definition, in any state approved CTE program a concentrator is a student who has earned three or more sequential credits grades 9-12. It is a local decision to determine the sequence. Therefore, it is a local decision to determine when a student becomes a concentrator and completes a program.

*IRC- Industry Recognized Credential is awarded when a student passes the appropriate assessment and completes the requirements for the specific industry.

Program of Studies requiring separate program approval are identified with the following statement underlined in bold italics: ***This program of study requires separate program approval.***

Dual Credit is available for some courses and programs of study.

Additional programs of study may be developed in the future.
