

COUNSELOR EXTERNSHIP

DECEMBER 11, 2015

8:30 – 3:30

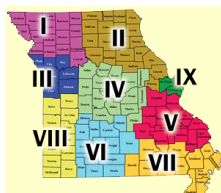

MACC COLUMBIA HIGHER EDUCATION CENTER

Mechatronics College Program and Advanced Manufacturing Industry Tour

Come to the Mechatronics Counselor Tour at Moberly Area Community College's Columbia campus to discover details about this multidisciplinary field that provides high demand/ high wage STEM jobs in our area. You will experience hands on classroom demonstrations, see the skills in use at 3M & Quaker Oats and learn the employment demand and opportunities for YOUR graduates. Lunch and industry tours will be provided. This counselor tour will be followed by a High Demand/High Wage event for your students later this year. Help your students plan for this High Demand career. Registration is limited. Register Now to hold your seat. Deadline Nov. 24th.
