

Local Application: [Perkins V](#)

1. The eligible recipient certifies that the comprehensive local needs assessment shall include each of the following:
 - a. An evaluation of the performance of the students served by the eligible recipient with respect to State determined and local levels of performance established pursuant to section 113, including and evaluation of performance for special populations and each subgroup described in section 1111(h)(1)(C)(ii) of the Elementary and Secondary Education Act of 1965.
 - b. A description of how career and technical education programs offered by the eligible recipient are –
 - i. Sufficient in size, scope and quality to meet the needs of all students served by the eligible recipient; and
 - ii. (I) aligned to State, regional, Tribal or local in-demand industry sectors or occupations identified by the State workforce development board described in section 101 of the Workforce Innovation and Opportunity Act (29 U.S.C. 3111) (referred to in this section as the ‘State board’ or local workforce development board, including career pathways, where appropriate; or
(II) designed to meet local education or economic needs not identified by State boards or local workforce development boards.
 - c. An evaluation of progress toward the implementation of career and technical education programs and programs of study.
 - d. A description of how the eligible recipient will improve recruitment, retention, and training of career and technical education teachers, faculty, specialized instructional support personnel, paraprofessionals, and career guidance and academic counselors, including individuals in groups underrepresented in such professions.
 - e. A description of progress toward implementation of equal access to high-quality career and technical education courses and programs of study for all students, including –
 - i. strategies to overcome barriers that result in lower rates of access to, or performance gaps in, the courses and programs for special populations;
 - ii. providing programs that are designed to enable special populations to meet the local levels of performance; and
 - iii. providing activities to prepare special populations for high-skill, high-wage, or in-demand industry sectors or occupations in competitive, integrated settings that will lead to self-sufficiency.
