of Mathematics and Science Professional Development

*Sponsored by the Missouri Department of Elementary and Secondary Education
in cooperation with the MU Conference Office*

Interface provides an opportunity for mathematics and science educators throughout Missouri to network and share best practices.

REGISTER EARLY!

Plan now to join us for the 30th Annual Interface. Registrations are limited to 850 attendees. Sessions are scheduled on a "first-registered, first-served" basis. Online registration will be available in November and continues until February 13th or until maximum capacity is reached.

Fees

The individual registration fee of \$300 includes event materials, keynote address, break-out sessions, and provided conference meals.

Online Registration Brochures

Online registration and conference brochure information will be available in November of 2013. Check the Department website at <http://dese.mo.gov/divimprove/curriculum/conference> for more information or the Interface website at <http://muconf.missouri.edu/interface/>

Lodging

The conference is being held at the Tan-Tar-A Resort at Osage Beach, Missouri. Conference attendees are responsible for making their own room reservations. Sleeping room rates are \$86.00 (includes internet access) for up to four people. Reservations may be made by calling 1-800-Tan-Tar-A or online at <http://www.tan-tar-a.com> Click On-Line Reservations at the top of the page. Choose conference attendee and use FACE as the group number and password.

High-Quality Professional Development

The 2014 Interface Professional Development Event does qualify as acceptable professional development as it meets several of the identified criteria.

Sessions are offered in 90-minute and 3-hour sessions.

Keynote Speaker: Arthur Benjamin

Interface A - Friday, February 21

Interface B - Sunday, February 23

Arthur Benjamin earned his B.S. at Carnegie Mellon University in 1983 and his PhD in Mathematical Sciences at Johns Hopkins University in 1989. Since then he has been a Professor of Mathematics at Harvey Mudd College, in Claremont, California, where he

has served as department chair.

Arthur Benjamin is also a professional magician, and frequently performs at the Magic Castle in Hollywood. One of his previous TED talks has been viewed over 5 million times, and is among the top 20 viewed. He has demonstrated and explained his calculating talents to audiences all over the world and has appeared on numerous television and radio programs, including The Today Show, CNN, National Public Radio, and The Colbert Report.

Conservation Showcase

Interface 2014 will include the ever popular Missouri Department of Conservation Showcase in Salon A.

Vendor Dinner

Join us for the Vendor Dinner. Visit with Vendors and register for door prizes to be given away the first evening of Interface A and B. Learn about new products and equipment available to enhance and improve instruction. **Must be present to win.**

Special Invitation to the First Timers Session

If this is your first time to attend Interface, join us for one of the First Timers sessions on Thursday, February 20 or Sunday, February 23 to learn more about how to get the most out of Interface.
