**COMMUNITY ELIGIBILITY PROVISION (CEP) (District Wide)
SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (SNAP) DIRECT CERTIFICATION (DC) COLLECTION FORM**

DIRECTIONS

State Agencies (SAs) are required to obtain from Local Education Agencies (LEAs), SNAP-DC match data for CEP schools and report to the USDA-Food and Nutrition Service.

The data can be obtained in one of two ways:

- 1) The count of Identified Students matched with SNAP used in determining the CEP claiming percentage in the first-year of the four-year cycle (ex: first year CEP-SY 2014-2015, April 2014 SNAP-DC data).
or
- 2) The count of Identified Students matched with SNAP conducted by April 1 of the current school year, whether or not LEA elects to update the claiming CEP percentage (ex: current SY 2016-2016, April 2015 SNAP-DC data).

Instructions: Report the number of students identified as SNAP-DC for the first-year of the CEP cycle and/or subsequent years with updated data if obtained. Prior data-reported to SA will be pre-populated.

SNAP-DC: Include all directly certified SNAP students, students determined SNAP-DC from near match list and any student deemed eligible based on extended SNAP eligibility via an eligible student in the primary household who has been directly certified with SNAP.

Fax or email the completed form to: Food and Nutrition Services Section, Department of Elementary and Secondary Education, at (573) 526-3897 or email to foodandnutritionservices@dese.mo.gov by November 20, 2015.

Questions: Call Food and Nutrition Services at (573) 751-3526 or email foodandnutritionservices@dese.mo.gov.
