

PATHWAYS FOR TEACHERS GRANT APPLICATION

INSTRUCTIONS

Mission: To guide and support Missouri schools in preparing success-ready students.

Vision: Successful Students, Better World

Missouri Career Pathways, an initiative of Missouri’s Department of Elementary and Secondary Education (DESE), works to prepare high school students to be success ready to meet demands of today’s workforce. The initiative connects educators with business partners and post-secondary programs to equip students with the skills and credentials needed to succeed in a demanding labor market.

The Pathways for Teachers grant is one project of Missouri Career Pathways that helps educators connect classroom academic knowledge to real world business and industry applications. Since the 2013-14 school year, over 1100 middle and high school teachers, counselors, and administrators have participated in the program to learn the importance of workplace skills with current classroom curriculum and instruction.

Throughout the program, educators use the experience to increase student’s awareness of career pathways that are in high demand and offer careers with a living wage.

To expand opportunities for educators to participate in Pathways for Teachers, DESE provides grant funding for districts and/schools to design and implement programs for the 2018-19 school year.

Interested Local Education Agency(s) (LEAs) should submit Pathways for Teachers Grant Application to webreplyvae@dese.mo.gov. The regional pathways directors will provide technical support and guidance as needed <https://dese.mo.gov/college-career-readiness/missouri-career-pathways/about-us>.

If sufficient space is not available on this form to list all participants or grant details, please attach an addendum when submitting a proposal.

Due to strict Federal guidelines on food expenditures the district, individual participants, or a sponsor must provide any meals or food consumed during the grant activities. Food items are not an allowable expense.

QUESTIONS: Contact State Program Manager 573-526-4987 or email webreplyvae@dese.mo.gov.
