District Vice President Election

The District Advisor is responsible for conducting the election of the District Vice President at the State Fall Leadership and Officer Election Conference.

The critical requirement, as established in the Missouri DECA Policy Manual and cited below, is that the District Vice President be identified through an election process. Every member who meets the district eligibility requirements should have an opportunity to run for election. The district adoption of state level eligibility requirements and procedures will be followed. Each student member should have the opportunity, either directly or through a representative, to cast a vote for the election of District Vice President.
