

Program Contact

Add Content – MO: CMS Contact

Since we are adding as a program, place program name in both name fields. (we will also be using this same page to enter in staff names as well)

Agency – Dept of Elem and Sec Ed

Home > Add content
Create MO CMS: Contact

Name *

Contact Information *

More Info

Contact Lists

Name (first last) *
Adult Education and Literacy

Name (last, first) *
Adult Education and Literacy

POSITION TITLE(S) [Show row weights](#)

+

Add another item

Agency
Department of Elementary and Secondary Education

Create Block
If enabled, a block will be created containing this contact's info. Useful if you wish to place the contact into a sidebar or other region on other pages.

Move to Contact information

Address is currently not necessary on contacts

Jump down to phone numbers

Enter phone, fax and any other special numbers (choose add another item to add additional numbers)

Add email

Links

Currently, we populate the links area for use on our **Webinars** contact section.

Fill in program name under Title and path to program homepage (with the leading slash) under URL

Show row weights

PHONE NUMBERS

Label *

Phone, Fax, TDD, Toll-free, etc.

+ **Number**

Label *

Phone, Fax, TDD, Toll-free, etc.

+ **Number**

Email

LINKS

Title **URL**

+
The link title is limited to 128 characters maximum.

Open URL in a New Window

Select save.

Note: most if not all program have been added, but in some cases, something may need to be added. You can always double-check for a contact by going to Content, filter by Mo CMS: Contact and see the list or under Title, type in all or part of the program name to locate or edit it.
