

February PAT Professional Learning Communities

(Registration information for these training opportunities is available [HERE](#).)

Introduction to Health and Developmental Screening (9:00 am – 3:15 pm)

Facilitated by Missouri PAT Consultants

This “introduction” session is designed for first year parent educators and meets one of the requirements by DESE for 5 hours of required professional development in the area of screening.

Specific ASQ/ASQ-SE training will no longer be offered through DESE Professional Development. Professional Development on a “specific” developmental screening tool will be the local district’s decision.

NOTE: Parent Educators: Bring your Foundational and Model Implementation Guides, Noisemakers (rattle, bell, & squeak toy), and a penlight to the session. (DO NOT purchase a “mag light.”)

Compassion Fatigue (9:00 am – Noon)

Compassion fatigue is a normal consequence of working in a helping profession. This session will familiarize the helping professional with Compassion Fatigue as well as the various signs and symptoms associated with this condition. Parent educators will learn resiliency skills, how to prevent this condition and increase their knowledge of personal wellness and stress management strategies that incorporate the utilization of self-care skills.

This session will meet 3 hours of the professional development requirement.

Date and Location
