

Missouri Preschool Program (MPP) Timeline – Renewal Grants *(July 1– June 30)*

July 1

Budget Revisions & Payment Requests open in ePeGS and are available once the budget is approved by the Early Learning supervisor.

Note: Programs are encouraged to submit monthly Payment Requests. Payment Requests submitted after the first day of the month will be paid in the following month.

Programs have reviewed the MPP Administrative Manual and updated all MPP Required Documentation for the new program year. Programs will continue to update the Early Learning supervisor and modify documentation as changes occur.

October 31

All programs are to be at full enrollment, meaning children are in attendance 5 days a week. Programs not at full enrollment by this time may have reductions made to their award amount.

MPP sites operating in their 3rd year of funding should have the accreditation visit window scheduled with their accrediting source.

April 1

Budget Application closes in ePeGS. All revisions must be submitted and approved in ePeGs.

Regular monthly Payment Requests close in ePeGS.

April 15

Final Program Report and Final Expenditure Report (FER) opens in ePeGS.

Note: Include all expenses that will be expended by the end of the program year, June 30th.

Renewal Application and Budget opens in ePeGS.

May 15

Grantee has completed and submitted the Final Program Report and FER in ePeGS.

Grantee has completed and submitted the Renewal Application and Budget in ePeGs.

June 30

Verify Final Expenditure Report. Notify DESE only if there is a need to revise expenditures.

MPP sites ending their 3rd year of funding must have their accreditation certificate no later than June 30th for the Renewal Application to be approved.
