The Early Learning Section with the Missouri Department of Elementary & Secondary Education (DESE) would like to remind programs to continue efforts towards maintaining full enrollment in the Missouri Preschool Program (MPP) classrooms. Programs are encouraged to explore recruitment strategies to ensure continued compliance for enrollment and funding.

Below are a few additional reminders requiring your attention.

- All MPP awardees are strongly encouraged to submit a Payment Request in ePeGS in December.
- All budget revisions must be submitted and approved in ePeGS by March 30, 2019.
- MPPFY17 awardees must be in the process of setting up the accreditation reviews now. Programs are required to complete the process and be listed as a fully accredited program by the end of the 2018-2019 program year.
- All MPP lead teachers and assistant teachers must attend a minimum of two [MPP Learning Communities](#) (PLC's). There are two opportunities remaining before the end of the program year. Register today.

For additional assistance contact the [Early Learning Supervisor](#) assigned to the program.
