# February Cycle

## ☐ **Student Core**

- January Membership
- State FTE Free/Reduced lunch counts

## ☐ **Graduate Follow-Up**

- 180 day follow-up on graduates from prior school year
- National Student Clearinghouse Report
  - MCDS Portal
  - Guided Inquiry
  - District and School Information
  - Graduates found in Higher Ed (NSC) Report

# April Cycle

## □ **Student Core**

- Report one record per student who has or will take a state assessment. All students may be included.
- DESE links the student's demographic information from this file to their assessment results.

# June Cycle

## □ **Student Core**

- Report one record for each student PK-12 who was enrolled for any period of time during the year

## □ **Student Enrollment Attendance**

- Report a record for each time a student entered and exited throughout the school year

# June Cycle

## ☐ **Summer Course/Student Assignment**

- Report each educator teaching an approved summer school course

## ☐ **Student Discipline**

- Report a record for each student with discipline incidences resulting in ISS, OSS, expulsion
- Report incidences for students removed from the classroom ½ a day or more

# June Cycle

---

## □ **Student Course Completion**

- Report final grade and credit earned by each student for each course taken in grades 7-12

# End of Course Exceptions

- Allows school districts to report the exception reason for 12<sup>th</sup> grade students who did not take the appropriate required EOC assessments
- EOC History Report in MCDS Portal
- EOC Exception List Report in February Student Core Reports in MOSIS

# June Assessment ID Cleanup

- DESE created trial available in June
- Includes every student who took a State Assessment (Grade Level MAP, MAP-A, EOC, LEP/ELL)
- Ensure every record has a valid MOSIS ID, and April Student Core record
- Districts can add 'teacher name' to the file which will be linked to the assessment results – one for communications arts, math, science, and social studies

# ASVAB

- Armed Services Vocational Aptitude Battery
- The ASVAB is a multiple-aptitude battery that measures developed abilities and helps predict future academic and occupational success in the military.
- Report for students in grades 9-12
- Report students tested during this school year

# Reminders

- ❑ Attendance Center Changes
