*Graduation Requirement (1/2 credit).

All other Family Consumer Sciences and Human Services **courses** require an "Approval of Career Education Programs - Secondary/Adult Only" form completed and submitted for program approval before beginning the program.

Programs that require separate program approval include: **Career Pathways for the Teaching Profession and Practicum; ProStart I and II; HTMP I and II; Apparel, Textiles and Interior Design; Early Childhood Professions; Culinary Arts; Cosmetology; Nail Technician;** and initial approval to offer a Family Consumer Sciences and Human Services program meeting program approval requirements.

For program approval information, please contact the Family Consumer Sciences and Human Services section at the Missouri Department of Elementary and Secondary Education.
