

Family Consumer Sciences and Human Services Education Approved Program Requirements

1. Reflect the philosophy of Missouri Family Consumer Sciences and Human Services Education (FCSHS).
2. Maintain an active advisory committee – either have representation on a district CTE advisory committee or separate FCSHS advisory committee.
3. Provide a program of study/programs of study based on FCSHS courses, which sequences academics and career education content.
4. Provide a written curriculum for each course that supports and includes identified FCSHS competencies.
5. Provide a written curriculum which drives classroom instruction and assessment of Technical Skill Attainment (TSA) and/or Industry Recognized Credentials (IRC)
6. Maintain an affiliated FCCLA chapter.
7. Conduct an annual evaluation of the program.
8. Maintain an appropriately certified instructor who regularly participates in high quality professional development.
9. Must offer a minimum of one semester course in each of the four core areas each year. ***Courses in underlined bold italics require separate program approval.***
