Community service is the engagement of individuals or groups in an organized activity that contributes to the local, national or world community. Community service activities are those opportunities that are available to all residents of a community. They consist of activities that make the community a better place to live and work. It is also known as volunteering which is defined as the practice of people working on behalf of others or a particular cause, without payment, for their time and services.

2. The applicant has an opportunity to gain skills and competencies or apply skills and competencies learned in the classroom setting.
3. The activity has a demonstrated positive impact and is focused on helping others, improving community resources or improving community infrastructure.

4. The applicant must voluntarily donate his/her time, energy and knowledge outside of any class time, including non-agricultural education class time.

 - b. Service required for reparations or punishment is not voluntary and cannot be counted.
5. Community Service activities can be organized by a group the applicant is a part of (*FFA Chapter, church congregation, sports team, etc.*), but the activity cannot be for the benefit of the group itself.
