

1. Name of Work Group (WG) HB 1490 Elementary Science K-5

2. Name and E-mail of:

Chair of Work Group: Perry D. Dunkeson
pdunkeson@knobnoster.k12.mo.us

Vice Chair: Alexandra Salsman Alexandra.Salsman@gmail.com

Note taker: Jan VanGilder jan@southwestcenter.org

Unfilled spots in WG: State Board/Career and Tech Ed Student organization and Speaker of the House of Representatives

No shows: Ikie Bonebrake (Stateboard Head Teacher Prep)

3. Day and Location of where WG met:

- Sept. 22-23 Gov. Building Rm 450
- Oct. 2-3 Truman Building Rm 490
- Oct. 20-21 Gov. Building Rm 460

4. Did the WG bring in outside people to help? No

Did the WG contact and ask opinions of outside people? yes

Who were those people? Secondary Science WG

5. Progress report describing consensus of the WG regarding what has been accomplished?

- Reviewed, revised, and increased rigor of current K-5 Grade Level Expectations
- Built a professional collaborative culture that encourages open discussion and participation from all members
- Work Group Objective: Create a document that expresses what we want students to know and be able to do as members of a 21st century society and that will be user friendly for all stakeholders.

Estimation of % completion: about 35%

6. Remaining issues to be addressed and the WG plan for completion:

- Finish content scope and sequence
- Identify assessable standards
- Consider vertical alignment with Secondary Science WG
- Complete construction of new alignment document

7. Identification of obstacles/problems to overcome or tools/information required to assure success:

Budget for needed resources such as photocopying, mileage, lodging, meals, substitutes, etc.

8. Future Meetings:

- Nov 22nd 9:00 – 5:00 Gov. Building MSBA Conference Room 3rd Floor
- Dec 20th 9:00 – 5:00 Gov. Building MSBA Conference Room 3rd Floor

9. Any other issues that are important to this WG:

At this point our group is working fine but need resources to continue operating optimally. We have a great group but some members are being forced to miss or worse consider resignation due to the economic stress it is putting on them and or their school district. We have placed our next two work dates on the weekend to help with this stress but it would be nice if we had some resources dedicated to this process.
