Public Announcement Overview

GOAL: Create an audio file to represent information for a radio broadcast.

Measurable Learner Objectives	Crosswalk to Show-Me Standards	Instructional Activities	Assessment
Import sound files. D2	1.4, 1.8	Create an audio file as a public service announcement for radio broadcast on copyright laws (e.g., newsworthy item—copyright laws, product advertisement, and/or program event announcement). Research copyright laws to gather information for the informational announcement. The audio will be from live feed and captured sources from a variety of resources. Edit sound files as needed for the final product, which is to be a sound file copied to a medium such as zip, CD, or hard drive.	Use the <i>Audio Announcement</i> assessment to evaluate the audio file for a written narration plan and accuracy of its content, quality of voice captured using a microphone, background music, noise elimination, adjustments of audio inputs, and file management.
