

ELECTRONIC PRESENTATION

Selection-Based Presentation

Assignment

Activity Preparation and Assignment

Create a new project folder entitled: *[insert your name] Selection-Based Presentation*. Prepare a functioning, selection-based presentation of a cross-cultural activity or business owner that allows a user's path to be determined by the selections chosen. Provide a copy of the materials used to create the presentation. Complete the storyboard and/or outline to plan the layout and design of the presentation slides. Have your selection approved by your teacher.

Things to consider:

1. Audience
2. Purpose
3. The interface design
4. Use of arrows, AutoShapes, clipart, etc. for the navigation buttons
5. Location of navigational buttons

NOTE: The structure (flowchart) is extremely important! Planning will prevent confusion!!

The following elements *must* be included in your presentation:

1. Title slide—title, author, interface designer, age group in smaller credit font
2. Between 12 and 20 slides—You do not have to tell the entire story or use all aspects of a cross-cultural activity; determine slide inclusion of other ideas based on length and logical sense.
3. Gradients/textures or images from stock media or the Internet for the background (*Do not* use a design template.)
4. Slide transitions used on all slides
5. Animation effects (order with timings)
6. Clipart (3 or more) and motion clips (3 or more)
7. Interactive “choices” (3 or more)

8. Other interactions (2 or more), for example, plays sound
9. Build sequence
10. Reference slide(s) with credits, audience description, and purpose of show—inform, persuade, instruct, educate, entertain (Use no more than 2 slides for this.)
11. No uncorrected errors in the documents
12. File management with print screen of the directory submitted
13. Submission of storyboard or outline and flowchart
14. Submission of printed handout (6 slides per page) of presentation, and the *Selection-based Presentation* assessment

The completed assignment will be peer-evaluated using the *Selection-Based Presentation* assessment.
