CAREER TREK

- Introduces key, evidence-based career development concepts
- Designed specifically for elementary students
- Interactive and highly visual

The advertisement features a young girl in the foreground holding a tablet that displays the Career Trek app interface. The app screen shows four main sections: 'Learn' (with a globe icon), 'Patterns' (with a clock icon), 'Career Links' (with a signpost icon), and 'Future Occupations' (with a graduation cap icon). In the background, a blurred image shows a teacher interacting with students in a classroom setting.
