MSIP 5 Policy Goals

3

- Promote **continuous improvement and innovation** within each district on a statewide basis to advance the opportunity for success for each student.
- **Establish the state's expectations** for districts in driving actions for moving student achievement to Top Ten status with the ultimate goal of all students graduating ready for success in college and careers.
- Distinguish performance of schools and districts in valid, accurate, and meaningful ways so that districts in need of improvement can receive **appropriate support and interventions** to meet expectations and her performing districts can be recognized as **models of excellence**.
- **Empower all stakeholders** through regular communication and transparent reporting of clear data on performance and results so that they can take action appropriate to their roles.

What's working?

What's not?

How do you know?

What do you do if it isn't working?

Did we look at the right things?

Small Group Discussion

MSIP 5 Process Standards

10

Will the process standards ensure that Missouri students will graduate college and career ready?

Will the standards ensure that districts and schools have processes in place to ensure Missouri students will be competitive by 2020?

Are proposed recommendations supported by current research?
