Smarter Balanced Assessment Consortium

3

- Missouri is a member of the Smarter Balanced Assessment Consortium (SBAC).
- SBAC is developing assessments in English Language Arts (ELA) and Mathematics aligned to the Common Core State Standards (CCSS) for grades 3-8 and 11.
- SBAC is not a testing vendor. DESE will be awarding a contract to a single vendor to handle these assessments along with End-of-Course.
- Assessments will be completely online.
- Assessments are adaptive.
- On-Demand Interim/Benchmark Assessments included with the system.

DLM MEMBER STATES

Dynamic Learning Maps

DLM is developing assessments that will replace the MAP-A status collection of evidence for Math and ELA. Summative assessments will be given in grades 3-8 and at high school. Science will continue to be the current MAP-A status collection of evidence and be given at grades 5, 8 and 11.

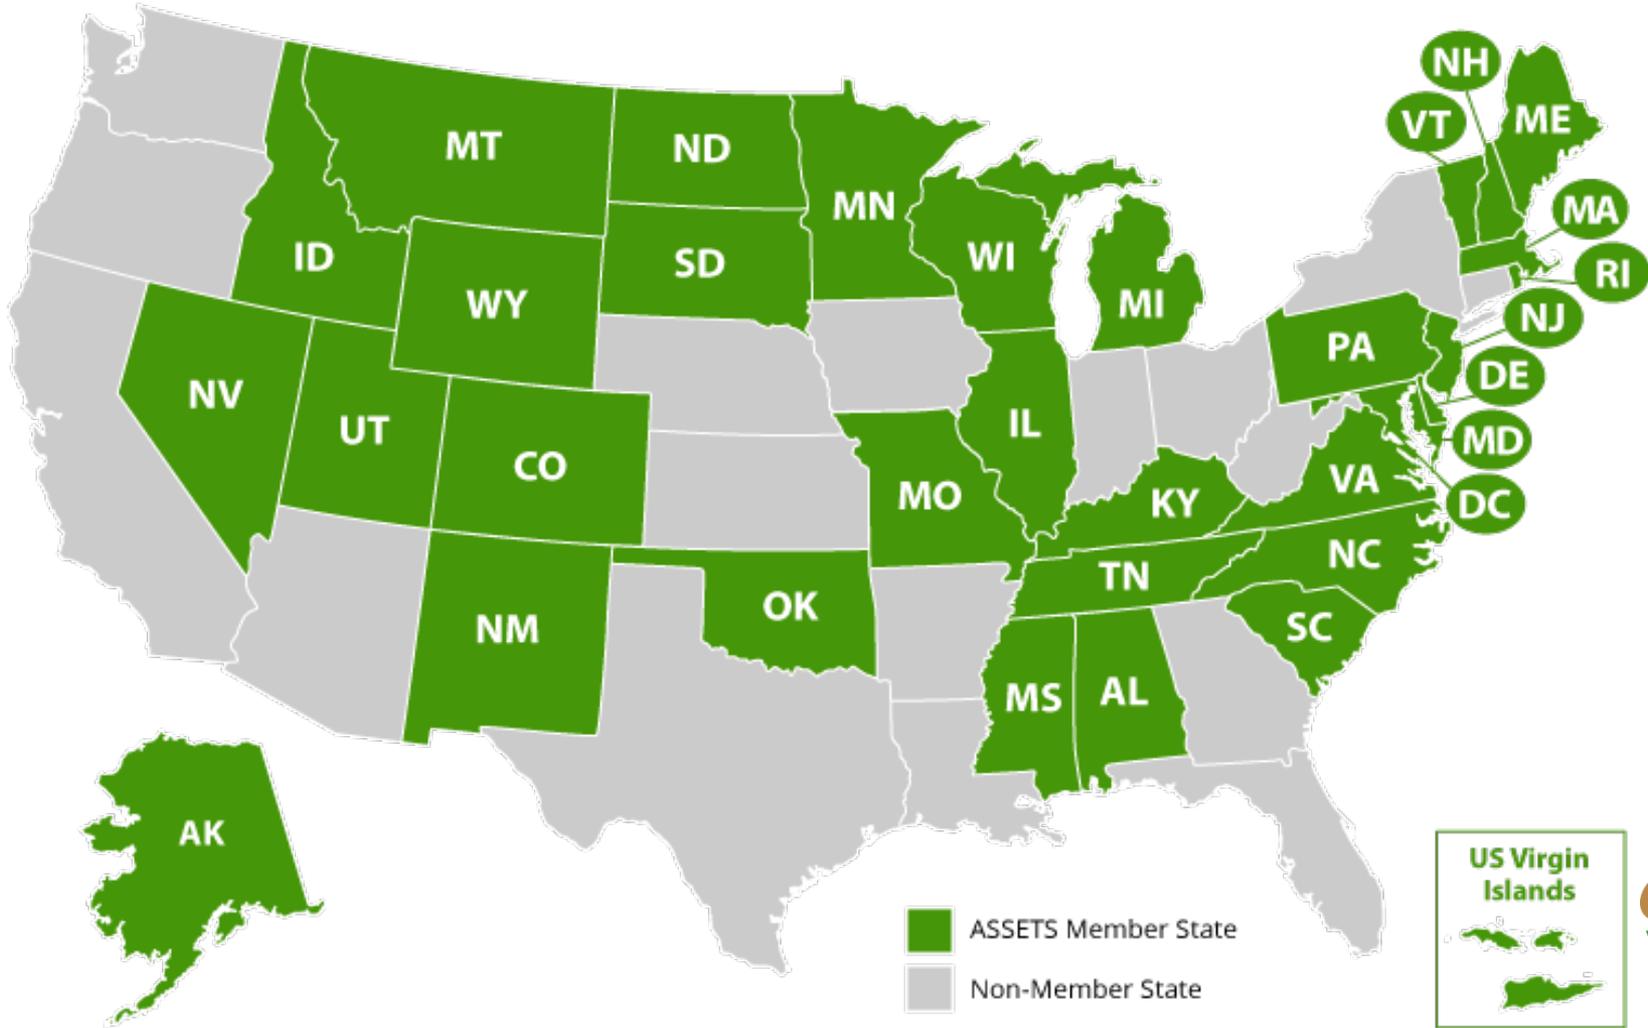

ASSETS Consortium

- Missouri is a member of the ASSETS English language learner (ELL) Consortium.
- ASSETS is a 34-state consortium, building on the work of the WIDA Consortium, to create the next generation of English Language Proficiency assessments.
- Assessments will continue to measure the language of math, science, social studies, language arts as well as social and instructional language in four modalities: listening, speaking, reading and writing.

ASSETS Consortium

ASSETS Consortium

13

- Missouri will be participating in a Field Test in early 2015.
- In 2015-16, ACCESS for ELLs 2.0 will replace the paper-based version of ACCESS for ELLs[®] with a computer-based, assessment system including a screener, interim and summative assessments that measure the developing social and academic English language proficiency of English language learners in Kindergarten through Grade 12.

Technology

14

- Each consortia has slightly different technology needs.
- SBAC Technology Readiness Tool
- ASSETS and Tablets
- Bandwidth

Quality Assurance

15

- Districts and LEAs are required to complete a self-monitoring quality assurance (QA) form for both the Grade-Level 3-8 and End-of-Course assessments.
- Additionally, districts and LEAs will be randomly chosen for QA visits for the Grade-Level, EOC, ACCESS for ELLs and MAP-A assessments.
- Reporting issues
