Subject: Due Date Reminder - FY20 Child Care Development Fund (CCDF) Grant End of Year Reporting

*This message is being sent on behalf of Lana Brooks, Early Learning Director.*

Below is specific information regarding end of year reporting and renewal information.

- The [Final Program Report](#) for CCDF is available on the Early Learning CCDF webpage. This is in paper format and must be submitted no later than May 15, 2020.
- The **2019-2020 Child Care Final Expenditure Report** is available in the ePeGS system. This report must be submitted by the Authorized Representative assigned to Child Care in ePeGS by May 15, 2020. The Final Expenditure Report will determine your program's final payment for FY2020 and must include all expenditures made from the beginning of the program year through June 30, 2020. It is important to note that this Expenditure Report will not be approved until the Final Program Report is submitted for review.
- The 2020-2021 [Child Care Block Grant Renewal Application](#) is also available on the Early Learning CCDF webpage. This form is in paper format and must also be submitted no later than May 15, 2020.

I would encourage you to reach out to your early learning [supervisor](#) with any questions. We appreciate your efforts to complete the required information by the stated deadlines and will work to process payments for the June school payment.
