**1. Annual Evaluation Process (NCLB, 1431) (Administrative Manual)**

- The LEA conducts an annual evaluation of their prevention and intervention programs for youth who are delinquent or at risk of dropping out for use in determining the programs' impact on students. Participation data is disaggregated by gender, race/ethnicity, and age. Evaluations use multiple and appropriate measures of student progress (pre/post test data, HSE data, high school diploma, vocational services, etc.).
