

## University Credits for MoLEAD

### MoLEAD Participants:

*Below is a list of Missouri College and University Education and Administration Programs offering credit for completion of the MoLEAD program. This credit is ONLY available to those participants who apply and are accepted into the noted graduate program and have been awarded a NISL Certificate of Completion. A NISL CERTIFICATE indicates satisfactory completion of the coursework (attendance at 27 of the 28 days of training and submitting and presenting evidence of a successful completion of the Action Learning Project). Participants may call the university contact listed below for more information.*

*\*Institutions not offering credit- University of Missouri-Columbia and Missouri Baptist University*

*Note: Institutions may have additional requirements for admission into their programs prior to accepting the NISL Certificate for credit. Some institutions are still in the process of determining if credit will be awarded. Participants may want to inquire in the future with institutions not listed above about their policy on accepting credit.*
