MSIP 5 Policy Goals

4

- Promote **continuous improvement and innovation** within each district on a statewide basis to advance the opportunity for success for each student.
- **Establish the state's expectations** for districts in driving actions for moving student achievement to Top Ten status with the ultimate goal of all students graduating ready for success in college and careers.
- Distinguish performance of schools and districts in valid, accurate, and meaningful ways so that districts in need of improvement can receive **appropriate support and interventions** to meet expectations and her performing districts can be recognized as **models of excellence**.
- **Empower all stakeholders** through regular communication and transparent reporting of clear data on performance and results so that they can take action appropriate to their roles.
