

FY 2014 SIG 1003(g) Request for Comments Notice

Missouri is requesting a waiver of the period of availability of FY 2014 funds for the 1003(g) School Improvement Grant (SIG) program. This waiver will allow the State to extend the period of availability of the FY 2014 funds for the SEA and all of its LEA's until September 30, 2020 so that Missouri could carryover FY 2014 funding and combine with FY 2015 funding to run a new larger competition in spring 2016. The extension of the availability of funds would allow for the provision of granting up to five-year awards to Local Educational Agencies (LEAs) that are approved for funding. The waiver request from Commissioner Vandeven to Assistant Secretary Delisle can be found at <http://dese.mo.gov/quality-schools/grants-resources/school-improvement-grant/news-and-updates> .
