In connection with my correspondence of October 19, 2006, you may consider this a LETTER ORDER that the Due Process Request filed by the , to which I was assigned as the Attorney Chairperson, is hereby **DISMISSED**.

The grounds upon which this Dismissal is based are failure to prosecute under the common law of laches or simple failure to prosecute, as in the dismissal dockets that are universal in the Missouri Civil Court system.

Sincerely,

David Potashnick
