

## Vulnerable Decision Points

**Consider some of the examples in the table below. Reflect on your personal vulnerable decision points (VDP). Then, reflect on vulnerable decision points for the student(s) with whom you work.**

<b>Student perspective</b>	<b>Adult perspective</b>
hunger	hunger
angry	angry
personal background	personal bias

**Do you have any cultural biases?** \_\_\_\_\_

**Which behaviors are you least tolerant?** \_\_\_\_\_

**What vulnerabilities do you bring from home?** \_\_\_\_\_

**Do students bring background/experience biases?** \_\_\_\_\_

**Do you know which situations your students are least tolerant?** \_\_\_\_\_

**Do you consider vulnerabilities your students bring from home (over which they have no control)?** \_\_\_\_\_
