

Purpose

Under the Child Abuse Prevention and Treatment Act or CAPTA (Public Law 111-320), a referral of a child under the age of three who is involved in a substantiated case of abuse or neglect must be made to the early intervention program funded by Part C of the Individuals with Disabilities Education Act (IDEA). In Missouri, Part C of IDEA is known as First Steps.

The Missouri Department of Social Services, Children's Division, requires staff to refer any child under age three who meets the criteria of CAPTA to First Steps. This report provides information related to the children referred to First Steps with a referral source of CAPTA or DSS in calendar year 2016.

Children Referred to the First Steps Program*

In calendar year 2016, Children's Division reported 1,145 children were eligible for referral to the First Steps program pursuant to CAPTA requirements. During calendar year 2016, 149 children (13.0%) were referred to First Steps with a referral source of CAPTA. Additionally, there were 964 children referred to First Steps with a referral source of Department of Social Services (DSS).

Of the 149 children referred with a referral source of CAPTA, 24 children (16.1%) were found eligible and reached the status of an Individualized Family Service Plan (IFSP). The remaining 125 children did not reach IFSP status due to the following reasons: 49 were withdrawn by a parent or guardian; 46 were Part C ineligible; 26 were unable to contact/locate; 3 were refused by SPOE; and 1 was an Inquiry Only.

Of the 964 children referred with a referral source of DSS, 282 children (29.3%) were found eligible and reached the status of an Individualized Family Service Plan (IFSP). The remaining 682 children did not reach IFSP status due to the following reasons: 247 were withdrawn by a parent or guardian; 306 were Part C ineligible; 100 were unable to contact/locate; 12 were inquiry only; 12 were refused by SPOE; 1 was Parent Withdrawn/Family Cost Participation; 3 moved out of state; and 1 child was deceased before IFSP could be completed.

*Referral records that were closed with the reason *Inquiry Only* were included in this report.
